You understand these aggressive tactics from late today are not going to be well received? This is a 7. I'm not sure Paul et. al. understand that.

Davor,

After your email to Victoria yesterday, I sent one myself. I want to reinforce the point that settlement on the \$4.4mm beats defending multiple lawsuits. I think it is valuable to keep the hearing on for the 18th along with the objection deadline, as that will help focus Victoria's client.

On related point, did Brenda get all the documents she had requested from Victoria?

Regards,
Eric
